1. In the port city of Korsakov (Otomari) (N 46-37, E 142-47), radar has been installed and searchlights set up near the wharves for the purpose of observing ships entering and leaving the harbor at night. However, these searchlights are turned off except when there is maritime activity.
2. About 400 to 500 meters inland from the harbor coastline, a wire fence has been erected and there are signs in Russian stating that it is forbidden to go beyond the fence.
3. There is a curfew in Korsakov every night at 2200 hours.
